

## 505 Series Super Miniature Surface Mount Switch Sets

**505**  
Super Miniature Surface  
Mount Switch Set

- Lifetime Warranty
- UL and ULC Approved
- Available in Open Loop or Closed Loop
- Standard 12" Leads
- Standard Gap 1/2"+
- Wide Gap 3/4"+
- Switches or Magnets are Available Separately

The 505 Super Miniature switch is aimed at residential applications where aesthetics and small size play a large consideration in the switch choice. It offers the installer two methods of mounting, alternative cable types (flying lead or zip cord), and a choice of cable lengths. All help to make installations and connections quick and easy, saving you time and money. Available in regular gap of 1/2"+ and a 1" wide gap version. The flexibility of its small overall size allow it to become part of the existing decor or it can be mounted and hidden, for example, in the track of a sliding door or crank out window. Offered in a White or Brown, with mounting brads and die cut double sided tape included with the switch sets.

# SUPER MINIATURE SURFACE MOUNT SWITCH SET

## INSTALLATION APPLICATIONS:

The 505 super miniature switch is aimed at residential applications where aesthetics and small size play a large consideration in the switch choice. It offers the installer two methods of mounting, alternative cable types (flying leads or zip cord) and a choice of cable lengths. All help to make installations and connections quick and easy, saving you time and money. Available in regular gap of 1/2" + and a 3/4" + wide gap version. The flexibility of its small overall size allow it to become part of the existing decor. It can be mounted and hidden, for example, in the track of a sliding door or crank out window. The brad holes in both switch and magnet should be opposing to achieve correct installation. Offered in a white or brown, with mounting brads and die cut double sided tape included with switch sets. Also available as switch only or magnet only.
